Cc – Ann Holmes, Minor Director

Regarding – Your Appeal to Grant the Vancouver Island Impact Recognized Minor Association Status

Dear Mr. Saunders,

With respect to the above appeal of a director's decision, in accordance with Article 9.2c) of the Softball BC Member's Handbook, I instructed that an appeal committee be formed to investigate the process which took place to cause this association to be formed and recognized by Softball BC.

The appeal committee has ruled that the Minor Director's decision be overturned, and to set aside the decision to recognize the Vancouver Island Impact as a minor association within Softball BC.

The committee ruled, in their estimation, Article 12.3 a)i) "**Recognized Minor Association**", was not followed.

As a result of your appeal being successful, the Softball BC office has been instructed to destroy the credit card information you supplied for the appeal request, and to cancel any charges relating to the above appeal.

Yours truly,

Jake DeWitt
President, BC Amateur Softball Association
