Thank you to everyone who attended the 2022 U11 SVI Angels tryouts held on June 6th. We had a great turnout with over 30 participants representing seven different SVI associations.

The coaches and evaluators were very impressed by the caliber and tenacity demonstrated by all the athletes. All of the attendees should be very proud of themselves and we look forward to welcoming eligible players back for tryouts in future years.

We want to thank all the coaches and evaluators with a special shout out to Angels Alumni Ella, Zoe and Kassidy who so kindly volunteered their time to help select the team.
