

Calling all players born in 2008, 2009 and 2010!

SVI has scheduled three exciting events for October 6!

1. SVI is sponsoring the UBC Thunderbirds Varsity softball team's trip to Victoria on October 6 to play a scrimmage game against the VFC (Devils) U19 College Prospect team. The game will start at 1:30pm and will be hosted at Peninsula – Rotary Park. Come out and see our local college prospects play against the NAIA UBC Thunderbirds and cheer on our three local Victoria players debut as college freshman. **Admission is free of charge!**
2. SVI, in partnership with VFC (Devils), is providing a softball skills clinic for 2008, 2009 and 2010 birth year players. The clinic will run in the morning (likely 10 – 12:30), with a break for lunch, so the players can watch the UBC Thunderbird and VFC College Prospects game. Providing instruction will be current Devils coaches and Alumni Devils players. **Admission is free!** Details will be out shortly regarding the registration process.

Do you want to be an Umpire?

3. Umpires Clinic – SVI is sponsoring an Umpires Clinic for any player born in 2007 or earlier who has thought they might like to try umpiring. All of our Associations are looking for youth umpires and this is an opportunity for local players who have thought about umpiring to participate in a multi-hour clinic and receive instruction from local Senior Umpires. The clinic will run in the morning with a lunch break prior to the UBC Thunderbird and VFC scrimmage game. Further details, including the registration process will be out shortly. **Admission is free!**
